32White HAS BEEN FEATURED IN...

ONE PERFECT SMILE

"unlike with other whitening systems, this one doesn't cause tooth sensitivity." - LouLou

FASHION

"a swanky clinic-within-a-clinic, is dedicated to transforming coffee-stained smiles." - Fashion

"32White is a whitening system that eliminates the use of lasers and ultra-violet light and reduces the risk of sensitivity that sometimes occurs with other in-office whitening methods."

- Elevate

glow

"Imagine a mini make-over that doesn't require anything invasive, drastic or overly pricey, for the cost of a designer handbag."

"With one personalized, non-invasive 90-minute procedure at 32White, you can achieve dramatically brighter and healthier-looking teeth." - Where

"After countless compliments (many of the "You look so good, what's different?" variety), we knew paying for a higher quality of service and expertise was worth it."

- Sweetspot.ca
